

CIESIN Indexing Terms (GCMD format):

CIESIN > Agriculture and Food Security > Agricultural Diseases
CIESIN > Agriculture and Food Security > Agricultural Diseases > Animal Diseases
CIESIN > Agriculture and Food Security > Agricultural Diseases > Plant Diseases
CIESIN > Agriculture and Food Security > Agricultural Production
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Chemicals
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Commodities
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Cooperatives
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Equipment
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Inputs
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Management
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Outputs
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Production Systems
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Productivity
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Products
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > Agricultural
Wastes
CIESIN > Agriculture and Food Security > Agricultural Production > Animal
Production
CIESIN > Agriculture and Food Security > Agricultural Production > Animal Yields
CIESIN > Agriculture and Food Security > Agricultural Production > Crop Yields
CIESIN > Agriculture and Food Security > Agricultural Production > Dry Farming
CIESIN > Agriculture and Food Security > Agricultural Production > Energy
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > Fallow
CIESIN > Agriculture and Food Security > Agricultural Production > Food
Production
CIESIN > Agriculture and Food Security > Agricultural Production > Forest
Production
CIESIN > Agriculture and Food Security > Agricultural Production > Irrigated
Agriculture
CIESIN > Agriculture and Food Security > Agricultural Production > Material
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > Mechanized
Agriculture
CIESIN > Agriculture and Food Security > Agricultural Production > Mineral
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > Natural
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > No Tillage
CIESIN > Agriculture and Food Security > Agricultural Production > Non-Renewable
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > Organic
Farming

CIESIN > Agriculture and Food Security > Agricultural Production > Pollutants
CIESIN > Agriculture and Food Security > Agricultural Production > Primary
Production
CIESIN > Agriculture and Food Security > Agricultural Production > Renewable
Resources
CIESIN > Agriculture and Food Security > Agricultural Production > Resource
Depletion
CIESIN > Agriculture and Food Security > Agricultural Production > Resource
Exploitation
CIESIN > Agriculture and Food Security > Agricultural Production > Resource
Inventory
CIESIN > Agriculture and Food Security > Agricultural Production > Resource
Scarcity
CIESIN > Agriculture and Food Security > Agricultural Production > Risk
Management
CIESIN > Agriculture and Food Security > Agricultural Production > Rotation
CIESIN > Agriculture and Food Security > Agricultural Production > Set Asides
CIESIN > Agriculture and Food Security > Agricultural Production > Slash and
Burn
CIESIN > Agriculture and Food Security > Agricultural Production > Subsistence
Agriculture
CIESIN > Agriculture and Food Security > Agricultural Production > Toxic
Materials
CIESIN > Agriculture and Food Security > Agricultural Production > Water
Resources
CIESIN > Agriculture and Food Security > Biogeochemical Cycles
CIESIN > Agriculture and Food Security > Biogeochemical Cycles > Carbon Cycle
CIESIN > Agriculture and Food Security > Biogeochemical Cycles > Methane Cycle
CIESIN > Agriculture and Food Security > Biogeochemical Cycles > Nitrogen Cycle
CIESIN > Agriculture and Food Security > Biogeochemical Cycles > Nitrous Oxide
Cycle
CIESIN > Agriculture and Food Security > Biogeochemical Cycles > Phosphorus
Cycle
CIESIN > Agriculture and Food Security > Biogeochemical Cycles > Sulfur Cycle
CIESIN > Agriculture and Food Security > Biological Processes
CIESIN > Agriculture and Food Security > Biological Processes > Aerobic
Processes
CIESIN > Agriculture and Food Security > Biological Processes > Anaerobic
Processes
CIESIN > Agriculture and Food Security > Biological Processes > Fermentation
CIESIN > Agriculture and Food Security > Biological Processes > Photosynthesis
CIESIN > Agriculture and Food Security > Biological Processes > Reproduction
CIESIN > Agriculture and Food Security > Biological Processes > Respiration
CIESIN > Agriculture and Food Security > Biota
CIESIN > Agriculture and Food Security > Biota > Animals
CIESIN > Agriculture and Food Security > Biota > Microorganisms
CIESIN > Agriculture and Food Security > Biota > Plants
CIESIN > Agriculture and Food Security > Chemical Processes
CIESIN > Agriculture and Food Security > Chemical Processes > Fixation
CIESIN > Agriculture and Food Security > Chemical Processes > Hydration
CIESIN > Agriculture and Food Security > Chemical Processes > Ion Exchange
CIESIN > Agriculture and Food Security > Chemical Processes > Oxidation
CIESIN > Agriculture and Food Security > Chemical Processes > Reduction
CIESIN > Agriculture and Food Security > Chemical Processes > Release
CIESIN > Agriculture and Food Security > Chemical Processes > Weathering
CIESIN > Agriculture and Food Security > Ecological Dynamics
CIESIN > Agriculture and Food Security > Ecological Dynamics > Adaptation

CIESIN > Agriculture and Food Security > Ecological Dynamics > Competition
CIESIN > Agriculture and Food Security > Ecological Dynamics > Distributions
CIESIN > Agriculture and Food Security > Ecological Dynamics > Extinction
CIESIN > Agriculture and Food Security > Ecological Dynamics > Mutation
CIESIN > Agriculture and Food Security > Ecological Dynamics > Selection
CIESIN > Agriculture and Food Security > Ecological Dynamics > Succession
CIESIN > Agriculture and Food Security > Ecological Dynamics > Survival
CIESIN > Agriculture and Food Security > Nutrients
CIESIN > Agriculture and Food Security > Nutrients > Micronutrients
CIESIN > Agriculture and Food Security > Vegetation
CIESIN > Agriculture and Food Security > Vegetation > Flowering
CIESIN > Agriculture and Food Security > Vegetation > Fruiting
CIESIN > Agriculture and Food Security > Vegetation > Plant Characteristics
CIESIN > Agriculture and Food Security > Vegetation > Plant Performance
CIESIN > Agriculture and Food Security > Vegetation > Plant Yield
CIESIN > Economic Activity
CIESIN > Economic Activity > Capital Markets
CIESIN > Economic Activity > Capital Markets > Bond Markets
CIESIN > Economic Activity > Capital Markets > Financial Risk
CIESIN > Economic Activity > Capital Markets > Interest Rates
CIESIN > Economic Activity > Capital Markets > Investment Rate
CIESIN > Economic Activity > Capital Markets > Market Prices
CIESIN > Economic Activity > Capital Markets > Money Supply
CIESIN > Economic Activity > Capital Markets > Size of Enterprise
CIESIN > Economic Activity > Capital Markets > Stock Exchange
CIESIN > Economic Activity > Capital Markets > Stock Prices
CIESIN > Economic Activity > Capital Markets > Stock Returns
CIESIN > Economic Activity > Communications
CIESIN > Economic Activity > Economic Change
CIESIN > Economic Activity > Economic Change > Economic Growth
CIESIN > Economic Activity > Economic Change > Economic Stability
CIESIN > Economic Activity > Economic Change > Economic Trends
CIESIN > Economic Activity > Economic Development
CIESIN > Economic Activity > Economic Inputs
CIESIN > Economic Activity > Economic Outputs
CIESIN > Economic Activity > Economic Outputs > Commodities
CIESIN > Economic Activity > Economic Outputs > Goods
CIESIN > Economic Activity > Economic Outputs > Products
CIESIN > Economic Activity > Economic Outputs > Services
CIESIN > Economic Activity > Economic Productivity
CIESIN > Economic Activity > Employment
CIESIN > Economic Activity > Employment > Access to Employment
CIESIN > Economic Activity > Employment > Employment Duration
CIESIN > Economic Activity > Employment > Employment Security
CIESIN > Economic Activity > Employment > Employment Stability
CIESIN > Economic Activity > Employment > Full Employment
CIESIN > Economic Activity > Employment > Underemployment
CIESIN > Economic Activity > Employment > Unemployment
CIESIN > Economic Activity > Employment > Wage-Employment Relationship
CIESIN > Economic Activity > Financial Assets
CIESIN > Economic Activity > Financial Assets > Bank Rate
CIESIN > Economic Activity > Financial Assets > Capital
CIESIN > Economic Activity > Financial Assets > Capital Costs
CIESIN > Economic Activity > Financial Assets > Deflation
CIESIN > Economic Activity > Financial Assets > Demand For Money
CIESIN > Economic Activity > Financial Assets > Economic Concentration
CIESIN > Economic Activity > Financial Assets > Fixed Assets

CIESIN > Economic Activity > Financial Assets > Inflation Rate
CIESIN > Economic Activity > Financial Assets > Money
CIESIN > Economic Activity > Financial Assets > Money Availability
CIESIN > Economic Activity > Financial Assets > Money Growth
CIESIN > Economic Activity > Financial Assets > Wealth
CIESIN > Economic Activity > Financial Assets > Working Capital
CIESIN > Economic Activity > Financial Management
CIESIN > Economic Activity > Financial Management > Balance of Payments
CIESIN > Economic Activity > Financial Management > Budget Deficits
CIESIN > Economic Activity > Financial Management > Budgets
CIESIN > Economic Activity > Financial Management > Business Cycles
CIESIN > Economic Activity > Financial Management > Capital
CIESIN > Economic Activity > Financial Management > Cash Flow
CIESIN > Economic Activity > Financial Management > Costs
CIESIN > Economic Activity > Financial Management > Debt
CIESIN > Economic Activity > Financial Management > Expenditures
CIESIN > Economic Activity > Financial Management > Financial Loss
CIESIN > Economic Activity > Financial Management > Profit Rates
CIESIN > Economic Activity > Financial Management > Profits
CIESIN > Economic Activity > Financial Management > Revenues
CIESIN > Economic Activity > Financial Policy
CIESIN > Economic Activity > Financial Policy > Bank Operations
CIESIN > Economic Activity > Financial Policy > Budget Deficits
CIESIN > Economic Activity > Financial Policy > Business Cycles
CIESIN > Economic Activity > Financial Policy > Credit
CIESIN > Economic Activity > Financial Policy > Debt
CIESIN > Economic Activity > Financial Policy > Expenditures
CIESIN > Economic Activity > Financial Policy > Insurance
CIESIN > Economic Activity > Financial Policy > Loans
CIESIN > Economic Activity > Financial Policy > Revenues
CIESIN > Economic Activity > Geographical Distribution
CIESIN > Economic Activity > Income
CIESIN > Economic Activity > Income > Gini Coefficient
CIESIN > Economic Activity > Income > Income Distribution
CIESIN > Economic Activity > Income > Income Redistribution
CIESIN > Economic Activity > Income > National Income
CIESIN > Economic Activity > Income > Per Capita Income
CIESIN > Economic Activity > Income > Profits
CIESIN > Economic Activity > Income > Returns
CIESIN > Economic Activity > Income > Revenues
CIESIN > Economic Activity > Income > Wages
CIESIN > Economic Activity > Labor
CIESIN > Economic Activity > Labor > Demand For Labor
CIESIN > Economic Activity > Labor > Labor Flows
CIESIN > Economic Activity > Labor > Labor Force
CIESIN > Economic Activity > Labor > Labor Market
CIESIN > Economic Activity > Labor > Labor Migration
CIESIN > Economic Activity > Labor > Labor Mobility
CIESIN > Economic Activity > Labor > Labor Productivity
CIESIN > Economic Activity > Labor > Labor Relations
CIESIN > Economic Activity > Labor > Labor Shortage
CIESIN > Economic Activity > Labor > Labor Supply
CIESIN > Economic Activity > Markets
CIESIN > Economic Activity > Markets > Competition
CIESIN > Economic Activity > Markets > Economic Equilibrium
CIESIN > Economic Activity > Markets > Economic Forecasts
CIESIN > Economic Activity > Markets > Price Index

CIESIN > Economic Activity > Markets > Prices
CIESIN > Economic Activity > Markets > Subsidies
CIESIN > Economic Activity > Markets > Supply and Demand
CIESIN > Economic Activity > Real Assets
CIESIN > Economic Activity > Real Assets > Property
CIESIN > Economic Activity > Social Security
CIESIN > Economic Activity > Social Security > National Capital
CIESIN > Economic Activity > Social Security > Social Budget
CIESIN > Economic Activity > Social Security > Social Costs
CIESIN > Economic Activity > Standard of Living
CIESIN > Economic Activity > Standard of Living > Cost of Living
CIESIN > Economic Activity > Taxes
CIESIN > Economic Activity > Taxes > Tax Rates
CIESIN > Economic Activity > Taxes > Tax Revenues
CIESIN > Economic Activity > Taxes > Taxation
CIESIN > Economic Activity > Trade
CIESIN > Economic Activity > Trade > Access to Market
CIESIN > Economic Activity > Trade > Balance of Trade
CIESIN > Economic Activity > Trade > Capital Movements
CIESIN > Economic Activity > Trade > Devaluation
CIESIN > Economic Activity > Trade > Exchange Market
CIESIN > Economic Activity > Trade > Exchange Rates
CIESIN > Economic Activity > Trade > Export Tax
CIESIN > Economic Activity > Trade > Exports
CIESIN > Economic Activity > Trade > External Debt
CIESIN > Economic Activity > Trade > External Trade
CIESIN > Economic Activity > Trade > Foreign Capital
CIESIN > Economic Activity > Trade > Foreign Investments
CIESIN > Economic Activity > Trade > Goods
CIESIN > Economic Activity > Trade > Import Tax
CIESIN > Economic Activity > Trade > Imports
CIESIN > Economic Activity > Trade > Internal Trade
CIESIN > Economic Activity > Trade > International Liquidity
CIESIN > Economic Activity > Trade > International Money Equilibrium
CIESIN > Economic Activity > Trade > International Trade
CIESIN > Economic Activity > Trade > Retail Trade
CIESIN > Economic Activity > Trade > Sanctions
CIESIN > Economic Activity > Trade > Services
CIESIN > Economic Activity > Trade > Tariffs
CIESIN > Economic Activity > Trade > Trade Barriers
CIESIN > Economic Activity > Trade > Trade Distribution
CIESIN > Economic Activity > Trade > Trade Flows
CIESIN > Economic Activity > Trade > Trade Volume
CIESIN > Economic Activity > Trade > Transfer Pricing
CIESIN > Economic Activity > Trade > Wholesale Trade
CIESIN > Economic Activity > Transportation
CIESIN > Economic Activity > Transportation > Freight
CIESIN > Economic Activity > Transportation > Freight Rates
CIESIN > Economic Activity > Transportation > Means of Transportation
CIESIN > Economic Activity > Transportation > Vehicles
CIESIN > Economic Activity > Working Conditions
CIESIN > Environmental Protection
CIESIN > Environmental Protection > Air Pollution Detection
CIESIN > Environmental Protection > Air Pollution Detection > Acid Analysis
CIESIN > Environmental Protection > Air Pollution Detection > Air Pollution
Monitors
CIESIN > Environmental Protection > Air Pollution Detection > Air Samplers

CIESIN > Environmental Protection > Air Pollution Detection > Atomic Spectroscopy
 CIESIN > Environmental Protection > Air Pollution Detection > Chemical Analysis
 CIESIN > Environmental Protection > Air Pollution Detection > Gas Analysis
 CIESIN > Environmental Protection > Air Pollution Detection > Gas Chromatography
 CIESIN > Environmental Protection > Air Pollution Detection > Infrared Spectroscopy
 CIESIN > Environmental Protection > Air Pollution Detection > Laser Spectroscopy
 CIESIN > Environmental Protection > Air Pollution Detection > Microscopy
 CIESIN > Environmental Protection > Air Pollution Detection > Microwave Spectroscopy
 CIESIN > Environmental Protection > Air Pollution Detection > Warning Systems
 CIESIN > Environmental Protection > Air Pollution Detection > X-Ray Fluorescence
 CIESIN > Environmental Protection > Air Pollution Effects
 CIESIN > Environmental Protection > Air Pollution Effects > Corrosion
 CIESIN > Environmental Protection > Air Pollution Effects > Degradation
 CIESIN > Environmental Protection > Air Pollution Effects > Deterioration
 CIESIN > Environmental Protection > Air Pollution Effects > Health Effects
 CIESIN > Environmental Protection > Air Pollution Effects > Indoor Air Pollution
 CIESIN > Environmental Protection > Air Pollution Effects > Occupational Diseases
 CIESIN > Environmental Protection > Air Pollution Effects > Ozone Depletion
 CIESIN > Environmental Protection > Air Pollution Effects > Respiratory Diseases
 CIESIN > Environmental Protection > Air Pollution Effects > Toxic Clouds
 CIESIN > Environmental Protection > Air Pollution Treatments
 CIESIN > Environmental Protection > Air Pollution Treatments > Absorbers
 CIESIN > Environmental Protection > Air Pollution Treatments > Acoustic Absorption
 CIESIN > Environmental Protection > Air Pollution Treatments > Afterburners
 CIESIN > Environmental Protection > Air Pollution Treatments > Air Cleaners
 CIESIN > Environmental Protection > Air Pollution Treatments > Air Filters
 CIESIN > Environmental Protection > Air Pollution Treatments > Air Pollution Control Device
 CIESIN > Environmental Protection > Air Pollution Treatments > Air Washers
 CIESIN > Environmental Protection > Air Pollution Treatments > Catalytic Converters
 CIESIN > Environmental Protection > Air Pollution Treatments > Dust Collectors
 CIESIN > Environmental Protection > Air Pollution Treatments > Electrostatic Precipitators
 CIESIN > Environmental Protection > Air Pollution Treatments > Filtration
 CIESIN > Environmental Protection > Air Pollution Treatments > Hydrocarbon Accumulators
 CIESIN > Environmental Protection > Air Pollution Treatments > Injection
 CIESIN > Environmental Protection > Air Pollution Treatments > Odor Control
 CIESIN > Environmental Protection > Air Pollution Treatments > Packed Tower
 CIESIN > Environmental Protection > Air Pollution Treatments > Recirculation Systems
 CIESIN > Environmental Protection > Air Pollution Treatments > Scrubbers
 CIESIN > Environmental Protection > Air Pollution Treatments > Separators
 CIESIN > Environmental Protection > Air Pollution Treatments > Ventilation
 CIESIN > Environmental Protection > Air Quality
 CIESIN > Environmental Protection > Air Quality > Carbon Emissions
 CIESIN > Environmental Protection > Air Quality > Carbon Monoxide
 CIESIN > Environmental Protection > Air Quality > Chlorofluorocarbons
 CIESIN > Environmental Protection > Air Quality > Combustion
 CIESIN > Environmental Protection > Air Quality > Emissions
 CIESIN > Environmental Protection > Air Quality > Emissions Standards

CIESIN > Environmental Protection > Air Quality > Exhaust Emissions
 CIESIN > Environmental Protection > Air Quality > Lead
 CIESIN > Environmental Protection > Air Quality > Methane Emissions
 CIESIN > Environmental Protection > Air Quality > Motor Vehicle Emissions
 CIESIN > Environmental Protection > Air Quality > Nitrous Oxide Emissions
 CIESIN > Environmental Protection > Air Quality > Non-Road Emissions
 CIESIN > Environmental Protection > Air Quality > Particulates
 CIESIN > Environmental Protection > Air Quality > Smog
 CIESIN > Environmental Protection > Air Quality > Trace Gas Emissions
 CIESIN > Environmental Protection > Air Quality > Trace Gases
 CIESIN > Environmental Protection > Atmospheric Composition
